HELP OUR MILITARY ENDURE

MISSION STATEMENT

H.O.M.E. – Help Our Military Endure is a 501(c)(3) corporation organized for charitable purposes to send care packages to active United States servicemen and women serving in far off countries. This effort is solely supported by monetary and non-monetary donations collected from the general public along with businesses throughout the United States of America.

CARE PACKAGE DONATIONS

Most of the care packages are sent are via U.S. Postal Service (USPS) in a flat rate box. We just need you to help pay for the shipping to get the boxes to them. All care packages are filled with items donated by the general public.

View our site for what we include in each box. We have listed many items on our website commonly shipped to our Soldiers along with letters they have sent back to H.O.M.E.

HELP H.O.M.E HELP OUR SOLDIERS

Help H.O.M.E. improve their morale, restore their confidence, and let them know America is thankful for their sacrifices.

There is no greater love than to lay down one's life for one's friends John 15:13

LETTERS/CARDS FOR SOLDIERS

With every care package that we send, we like to include as many cards and letters as we can to show our support for our fighting men and women. We are always in need of more letters and cards. Not only will our military receive much needed items to make their lives a little easier, but the cards and letters can do a lot for a lonely soldier. If you would like to help, please send us a card or letter (you can send more than one) to be included in a care package. Please remember to be gender neutral when writing to the soldiers because you may not know who will be on the receiving end.
